OFFICE OF PETITIONS

In re Application of :
Chun-Yi Yang :
Application No. 10/601,958 :
Filed: June 23, 2003 :
Attorney Docket No. MXIC-P910252 :

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed December 30, 2005 to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of August 27, 2004. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(II) (A)(2). A three month extension of time pursuant to the provisions of 37 CFR 1.136(a) was obtained. As a proper and timely reply was not received, this application became abandoned on March 1, 2005 (February 27, 2005, the due date, was a Sunday). A Notice of Abandonment was mailed on October 19, 2005.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE) and fee of \$790, and the submission required by 37 CFR 1.114 (which was previously submitted); (2) the petition fee of \$1,500; and (3) a proper statement of unintentional delay. Accordingly, the reply to the final Office action of August 27, 2004 is accepted as being unintentionally delayed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3218.

This application is being referred to Technology Center AU 2814 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the submission under 37 CFR 1.114.
